“ To my dearest Hailey, My heart is broken as you took a piece of it with you. I'm sorry we aren't going to have the lunch date we planned for the end of August, but I will cherish all of the time I was blessed with your presence. I enjoyed having you as my Spanish student for two years and later was honored to call you a friend. Fly high angel or if you prefer run through the fields with your furry baby Brock at your heels. Much love always.
