Loving Memory of Inocencia Angelica Goetz
February 4th, 1971 – July 10, 2025

With heavy hearts and deep love, we announce the passing of Inocencia Angelica Goetz, who left this world on July 10, 2025, in Fond du Lac, Wisconsin, at the age of 54. Born on February 4th 1971, in Kenosha, Wisconsin, Inocencia lived a life filled with love, faith, and unwavering devotion to her family and friends.

Inocencia was the proud and loving mother of three children: Kristen (Stink), Robert (Rock), and Brandon (BB). She poured her heart into raising them and often said that her greatest job and most cherished role was being their mom. Her legacy lives on through them and through her grandchildren: Camron, Mari, Jayda, Jaylen, Jordan, and Amiri — all of whom brought her immense joy and pride.

She is also survived by her beloved siblings: Patti, Anita, Kathy, Miguel, Javier, Carmen, Erik, Jon, and Kris. Her bond with her family was deep, and her presence brought light and love into their lives.

Inocencia is now reunited in Heaven with those who went before her: her beloved mother Cristina, father Miguel, brother Stefan, and bonus dad Gary.

They are surely embracing her with open arms and joyful hearts.

She is also deeply mourned and lovingly remembered by a wide circle of friends, whose lives she touched with her warmth, loyalty, and boundless kindness. Inocencia's friendships were lifelong, and her love for her friends was just as fierce and genuine as her love for her family.

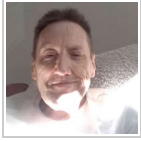

Inocencia had a gift with words — a talent that was recognized when one of her poems was published in the newspaper. She loved writing, found joy in listening to Michael Jackson, and above all else, she loved God. Her faith was strong, unshakable, and deeply rooted in every part of her life.

What made Inocencia truly special was her enormous heart. She was kind, compassionate, and generous beyond measure. She loved people without condition, and her warm spirit made everyone feel seen, loved, and valued. Her love for her children was infinite — they were her everything, and they always will be.

Though she is no longer with us physically, Inocencia's light continues to shine through the lives she touched and the love she gave so many people she will forever miss 2-4 FOREVER
