“ *Dick, Jeff and Mike,  
My thoughts and prayers are with you. I will always remember our vacation times together when we were all younger....we are very lucky to have the people we do in our families that keep us feeling loved and close together no matter what happens. Jackie will be so missed by her best friend, my Mother. Mom and I will always talk about 'old times' and keep those precious memories around. Love to you and your families and take care.
