“ *I remember Jackie, back in high school, she was always the life of the party, and she was always laughing. My prayers go out to the family at this time of loss. We just attended our class reunion and many of us were talking about how many wonderful people attended Laconia high school. I remember confirmation classes at Peace, Lutheran Church, in Rosendale, and all of the fun that we had on those Monday nights, How quickly Time has passed us by, our families have developed, and our parents are now are seniors. I was shocked when I read this posting in the Fond Du Lac paper, I remember a lot of the events that took place years ago and Rosendale, and all of the families that participated. My thoughts and prayers go out to your family. Russell Beier Family.*

“ *The open mouth smile with the stare. Made me laugh. Just so happened I saw this one while making sure the things I had were hers. My ex boss and coworker. The best bonus Mom ever for my son. Irreplaceable. A good person to the core. I know this for a fact because I seent it. Her kids, whom I met when they were little, are phenomenal humans. My familys life was richer because she was in it. She will be missed more than anyone will ever understand.*
