“ I am very sorry to hear of Jim's passing. My sympathy to his friends and family. Jim was a fun guy who loved vehicles and machinery of all kinds. I rode alongside him long ago when he had a Norton motorcycle, and I had a 69 Triumph. Later he enjoyed several Harley's. I was always very jealous of his black HD Road King Classic. Jim also enjoyed a steady stream of excellent, usually overpowered vehicles, Corvettes etc., with one Pontiac Vibe thrown in there for good measure. He was a bit of perfectionist when it came to his motorcycles, cars and his home, and these things were always maintained in top notch. Sadly, I haven't kept in touch with him the last years, but he will be missed by all of us. Rest in Peace Jim until we ride again. .
