“ It is with our heart felt sympathy to the family of the lost of Jimmy who was a great person. I haven't seen him in years but always remember him as a great friend. I was looking to get together with him and then I just found out that he has passed away. I knew him close to 60 years. He was a very caring person. His family was such a great friend and always had a smile on his face and had to talk about our youth. Your memories will live on forever. Rest in peace my friend
