“ Dear Bob: So sorry to hear about the loss of your beloved Jane. I know this is a major loss for the family, friends and you. My memories remind me that you were the best ever Division Manager that G&L Electronics had while I was an employee for 35 years. Jane was a huge part of that success to include behind the scenes as well as at the many social events like Christmas Parties, etc. I remember them all well and Jane & your contribution to their success! My sympathies and prayers are with the family and you at this huge loss. Sincerely, Nyles

We want to express our deepest sympathies to you and your family over the loss of Jane. We always thought she was a unique and wonderful lady. Really enjoyed her love of life and stories of your family. We just got back from vacation and won't be able to attend Jane's wake, but please know you will be in our prayers.
