“ My name is Suzanne Hill Riederer. My maternal grandmother was Hazel Barnett McArthur. I remember Uncle Bud, Aunt Martha and Janet when they lived in Fond du Lac in the house at the northeast intersection of Hwys. 151 and 41. My mother was Hazel's daughter, Betty McArthur Hill. I just wanted to extend my sympathy to Janet's family and caretaker. I do have fond memories of visiting them with my grandma at that house. I remember how Janet loved her daddy. I think he made her feel safe in a world that had to be very scary and confusing at times. Now she's with her daddy and mommy again. May she rest in peace. ❤️

My maternal grandmother was Viola Barnett Miller who would have been Janet's Aunt. I remember going to visit Aunt Martha and Janet on Christmas Eve when I was a kid. My sympathy to her family.
