

Jason C. Behm

October 1, 1973 - May 11, 2026

Jason C Behm, 52, passed away unexpectedly on May 11, 2026.

Jason was born on October 1, 1973, at St. Agnes Hospital in Fond du Lac, WI. He grew up in Fond du Lac and graduated from Goodrich High School, attending UW Stevens Point after graduation. He eventually returned to Fond du Lac where he began his career in the auto industry, working for Fond du Lac Bumper Exchange. He married Ann Aldrich who was truly the love of his life, although they would ultimately go their separate ways. Jason then moved to Oshkosh, WI where he would join the United Auto Workers Union and work for Oshkosh Truck. When his mother fell ill, he made the decision to move back to Fond du Lac so he could take care of her, which he faithfully did until her passing in 2023. Once back in Fond du Lac, he went to work for Wells Automotive where he ultimately finished his career in the auto industry.

He was an avid fisherman making multiple trips to Canada on dream fishing excursions, an avid sports fan with a particular love for the Green Bay Packers, but most of all he indulged in his three nephews, Magnus, Maksim and Marius. He loved them with all his heart and was a positive force in their lives, encouraging them to excel in school, in sports, and in life.

Jason is survived by his brother Brett (Sherri) and his nephews Magnus, Maksim and Marius. He was preceded in death by his parents Richard and Candice Behm. Jason was a quiet, gentle soul but was truly loved by all who knew him, he will be greatly missed.

“ Jason was my "arms & legs" back in 1993 & 1994 after I hurt my back. We would work side by side nearly every day going through the bumper cores. He'd pick one up, we'd decide if it was repairable or not, then either write the # in the end and put it in the "to be put-away pile" or he'd chuck the core up onto the junk pile - basically like a shot-putter! Amazing to see. Had many talks about life. A gentle, quiet man. Grateful that God brought him to FdL Bumper.

“ Jason was a great man; loved talking all things Packers, Draft and music with him when we worked together at Wells. My sincere condolences to his family, friends and coworkers. Rest in peace!
