“ Jason you will be missed by many. I can still remember playing games in the large field next to your house and climbing that old crab apple tree. You will remain as part of my fondest childhood memories and I pray that you are at peace. I am sure that we will see each other again someday.

“ *Connie, words cannot express the sorrow I feel for you and your family. The loss of a loved one is matched only by the love you have in your heart for them. May you find peace in your own time and know that you're in my prayers.*
