“ We remember with gratitude Jean's life and her influence on us. Jean's example of a well-lived life will remain an inspiration. Words can't express the significance of a 52-year friendship and all it encompassed.

“ Aunt Jean was truly a caring, compassionate, woman that my daughter, Aubree are going to miss more than words can express. She really lived her life to its fullest. I know how much she loved her family, especially her grandchildren and children. She talked about them nonstop and always had a smile on her face. We miss Jean's in this world! Our prayers are with her family! May God comfort you all!

“ Patty, Melanie & Fred - Your mother was one-of-a-kind. She was the most kind-hearted serving person, and her smile (along with your Dad's) always brightened my day. I'll never forget how she played the organ at your wedding reception, Fred! She was never afraid to try anything, and was always willing to help with anything.
