“ *This is my mother in-law, from the day I met Jean , she welcomed me with open arms . She treated me like a son . Every time Julie and I would visit she would give me a hug and a kiss and I could not leave without giving her a hug and kiss. Jean or ( mom ) never had a bad word to say . She always saw the good in people and would help out in anyway she could. She love her grandchildren as if they we're her own . I will dearly miss her. At 93 years old she live a full and happy life .*
