“ Jeff,
I have many fond memories of the laughs you created and the humor you brought to my life. I only knew you for a short time, but in that time you created memories that we still talk about today! I loved having a cold one with you and hearing about all of your life's adventures. You were a Worldly man and very interesting to talk to. God Bless you and your family and may our good times together with Dave, Andy, Myself and you live in your heart forever.
Sincerely,
Chad
