“ Jerry, You will be dearly missed by everyone that knew you or had the delight of ever meeting you. I know in my heart that you are in a better place and that some day I will see you in heaven. As your loved ones and family mourn your passing I hope that they will be comforted knowing that you are loved and will be missed by those of us that are fortunate enough to know the real you.

“ I grew up in N.Fondy and went to school with Jerry. We have been emailing each other daily and I was worried when I didn't hear from him on Sunday and Monday. Lois sent me the very sad news. You have my deepest condolences. I will miss his sense of humor and 2 cents as he phrased it. Hopefully he is in a better place and happy now.

“ Deepest sympathies to all who knew Jerry, its hard to not think about all the what ifs, but looking back its great to know that our family had so many wonderful years with him . The kids and myself will miss him tremendously . Memories ...well...how about tomato juice and beer, or my sons first sturgeon, sitting for hours in the backyard on the picnic table hearing of all the places he had been and lived . He taught my girls cats cradle and loved to play board games ... yes Jerry :) Drinking gallons of coffee, listening about the contraptions he was going to build one day, or his wine making abilities. He was the best fisherman and hunter out there with so much patience and talent. I could go on for pages but the best memory is knowing every time I ever needed him , he was always there for me .
