

## Jim "Google" J. Borndahl

December 27, 1954 - October 12, 2021

Jim "GOOGLE" Borndahl, received his angel wings on Tuesday, October 12, 2021, with his wife and daughters by his side after a strong and courageous battle with cancer.

Jim was born on December 27, 1954, to Robert and Joyce (Steinbarth) Borndahl. Graduated from L.P. Goodrich High School, Class of 1973. On September 20, 1975, he married the love of his life Deb Borndahl.

Jim considered himself a very lucky man having 3 families, his family, his Google's Inn family and his Fond du Lac 8-Ball Pool League family. He sponsored numerous softball, pool, bowling and dart teams throughout his years in business. He enjoyed spending time watching the Packers, Brewers, Bucks, NASCAR and feeding the birds. But his favorite was watching his grandchildren participate in all their sporting events. Jim also enjoyed watching Danny in Counting Cars and Olivia in SVU Special Victims.

Jim owned and operated Google's Inn for over 44 years, and ran the Fond du Lac 8-Ball Pool League for over 20 years. He took great pride in his business and all the pool shooters success.

He was the family official time keeper. He was a man of his word and greatly respected by all. Google was a man of few words but always communicated well with his customers and dear friends. YUP he was that kind of guy. His favorite thing to tell people was: "I was GOOGLE before Google."

He is survived by his loving wife Deb of 46 years, his daughters: Heather (Terry) Huseman and Heidi (Aaron) Potratz; his grandchildren: MaKenya,

Olivia, Landon and Jameson; sister-in-law Terry Borndahl, two goddaughters: Nikki Casper and Carrie Eisenach and his little buddy MOJO.

He was preceded in death by his father, mother, two brothers Tom and Jeff.

The family would like to thank the Vince Lombardi Cancer Center in Oshkosh, Hospice and Nurse Heather for their wonderful care. Special thanks to Andrea for all the extra help at Google's this past year.

In lieu of flowers, the family requests that you hang a bird feeder in memory of Google.

“ Google had the amazing gift of making you feel like you have known him your entire life even if it was your first meeting. I was fortunate to grow up mere steps from his home and spent countless days with his family. When my wife met Google, she felt like she had been at all the block parties and summer days relaxing in their pool. Google's quick wit and generosity instantly made everyone feel welcome (although some would be right to question his decision to let a 16 year old kid in the neighborhood drive his Thunderbird to prom).

*Deb, Heather and Heidi: Our deepest sympathy to you and your families. Thank you for sharing Google with us; he will live on in our memories. May His perpetual light shine upon him.*
