“ Annette, Gary and Mark,

My deepest sympathy to each of you in the loss of your mother. I never had the opportunity to meet her, but I'll bet she was a wonderful person. As you grieve her loss, may you remember all the great times you shared with her in life. May the Lord comfort and strengthen you and may you be filled with His peace.

“ I will always remember her as MY mother. And always grateful that God's plan was for that to be true for my brother's Gary, Mark, Tom and sister Annette. Putting our Dad into this mix we had a family that was called to be as one and to witness to the love God places in us and then told to go out to share with others. "Well Done Good and Faithful Mother!"
