“ *To my sweet dear Jojo, oh how I'll miss you. My condolences to all of Jojos family. I will always remember all of the good & bad times we had back in high school then we both got married & kids & grew apart ,after how many years we finally reconnected, I wish we would of stayed in contact with each other more thru the years , Then Jojo got sick & didn't want to burden me with her health issues ,she had such a big heart that' she was always so concerned not to burden any one else with her problems. I will truly miss her,she is truly an angel, she will always have a place in my heart. I wish I could go to her funeral to say one last goodbye & give my condolences to her family, but have been gone last 3 weeks out of state & country. So goodbye my dear sweet Jojo. Luv ya like a sister forever*

“ I have special sweet memories of JoAnn as I would babysit for her and her sisters. I always will remember her sweet smile and sparkling eyes. She recently told me on fb that she loved me. The feeling is mutual. As she is at peace, so may her beautiful family have peace and comfort at this time. Much love to the family, Cindee Johnson

“ It is with great sadness and suffering within my heart that I pray today to God our Lord. Dear Lord, please help this family during grief, help them to have strength, help them to have faith, and help them to have hope for the future. May God's powers and miracles always be with them to help them overcome this grief and suffering that they are feeling. Love from the Nass (Hintz) families.
