“ I have spent a great deal of time with my sister JoJo Bean. I moved her to Washington state AND SHE worked for me on San Juan Island. I have loved her thru thick and thin. My greatest joy was knowing she gave her life to Jesus and we were able to talk about this a few weeks before she went to sleep in Jesus. When He comes again to take us home JoJO will see Him face to face. I look forward to that day. I pray comfort to her boys.
