“ Sue I just saw this obituary of Joel, I can't imagine what you are going through, I remember when he was born, a month after Nicole. He was so sweet and adorable. We haven't seen each other in years but I wanted to let you know I'm Thinking of you.

Your Dad loved you very much, Kailer. He talked about you all the time. When you are missing him, go for a walk and feel his presence in the wind and the sunshine. He will be there with you in your heart and in your memories.

“ *Oh Joel..... You didn't fool us with your tattoos and piercings and tough exterior. You had the heart of a creative person. Always treated me politely and respectfully. We had some good conversations over the past few months. May God bless you, Joel. In my mind, Danny and Grammy were welcoming you in heaven with open arms.*

*With love from your Godmother,
Aunt Jody
