“ Dear Carol and Family: I was so saddened to hear about the passing of Uncle Jack. I know how difficult it is to be caught between the loss that you feel and the gratefulness that your loved one no longer has to feel pain or sadness. Jack's personality seemed similar to Don's and to my father's, which means he cherished the humorous moments in life, even if sometimes at the embarrassment of Aunt Ginny. So this week, Jack made us cry. But he will forever be remembered by how he made us laugh. We love you all.
