“ *The worlds a bit different without you Jack Anderson. We had some very interesting adventures. He had big ideas and a heart big enough to pull them off. Brother Jim and sister Barb will miss him terribly as all the rest of us who he met along the way. Peace my friend Jack Anderson. Your friend B Brickle.*

I will miss my friend of 50yrs. We shared so much together from meeting him in 1969 at the Silver Moon all the way thru Two North, Third and Main. We went to Telluride and tried to start a Tavern in that ski town but we never quite had enough money. We wandered in different directions, Jack went to Tempe Az and then down around Morgan City, La. I headed back to Wisconsin and back to school for Land Surveying down in Elkhorn. I finally met up with Jack again in Wausau where he was working and doing antiques. I had an extra computer from my business and gave it to Jack to get started selling on Ebay. Jack was very good at antiques and he became very proficient at using the internet to determine value on different antiques he'd come across. He would also help folks if they had an item and how much it could be worth. He had a great knowledge and freely shared it. They broke the mold when they made Jack. Rest easy my friend and may we meet again on that distant shore.

“ *Barb so very sorry to read about your brothers passing! I have many fond memories of him when I was a teenager and he lived in the apartment on Cotton St across from my house. Please accept my sympathy.*
