“ I knew John in high school. His was a very good friend! Loyal and a man of his word. We went in different directions after high school and I lost track of him.  
My prayers are with his family! I will never forget him!

“ I met John when I started at McDonalds East side. I had the pleasure of taking care of him on a daily basis. You could set the clock by him. He had his OJ and sandwich and would always make a point to stop and say goodbye when he left. We would always talk for a few moments. When he had his cataract surgery, he would always stop and ask me what was next after he had it done. I had mine done before him and gave him a day by day report of what he could expect. He was a great friend and will be missed.

“ John was a very awesome neighbor to me. He was so kind. When I went thru an operation, John cut my grass, bought me ice cream from Dairy Queen, and with the help of Linda brought supper over. Winter he snow blew my sidewalk too. And way back when he made me a drink every time I was done cutting my own grass. I will miss him dearly. Rest In Peace my friend.
