“ How do you explain how heartbroken you are when there are no words that fit. I have been trying to figure that out for more than a week and can't. John Henry was more than a nephew, he was more like a son. I miss him and tear up every time I think of him. I loved him all his life and will forever. Love, Aunt Kitty (TiTi)

“ No words can express the grief I am feeling. Billy was a kind soul, caring, smart and funny. We worked together briefly at Green Bay Fear, and became fast friends. I will never forget his contagious smile, and his goofy laugh. Love you Billy. Rest easy Billy, we will meet again soon.
