“ Dear Judy & Family, I read paper this past week(I don't get to them regularly) and saw John's Obituary. Just wanted to give you my sincerest sympathies. I can't believe how fast things went after our visit at the hospital! At least he wasn't uncomfortable or aggitated for a long drawn out time. Consider that a blessing as my father's illness went that route! God Bless, Judy and take care....Love, Renee

“ I enjoyed every time I saw John at a sales conference. He was a great guy. When he was in charge of MerCruiser there was no doubt that he was the boss. He was a good leader.
