“*Jess, Ben & Steven - I was heartbroken to hear of the passing of your Dad, Uncle Jon. Way too young for both of your parents. I am so sorry. It's been years, but I remember going to your big house in the country wondering if we'd make it up the long, steep, gravel driveway. Weather obviously played a huge factor in this feat some years. And always looking in the yard and woods for any new art sculptures that your Dad had created. So talented and so very cool! And, then, once inside the house, any new paintings on the walls. The big front room always had a ginormous painting on the wall by your Dad. I always wondered how did he get that in there. Your Dad is with your Mom now, whole, healthy and healed. So happy they are together once again. My thoughts, prayers and memories are with all of you. Hugs & Love from Topeka, KS, Wendy Pivarnik (Rosenthal)*

“ I was so sorry to hear of your Dad's passing, Jessie, Ben and Steve. He and you sweet mom were our next door neighbors on 3rd street for the first years of our time in FDL and then once the bought land outside town, and planned on leaving us, we moved too. I'm still the big old house near Brownsville. Once a month or so, we came to each other's house for cards and board games. Our friendship developed and became very strong over the years, watching our kids grow up, camping together and so enjoying the pool you used to have in the backyard. They were all good people! Now, Bill, Susie and Jon are waiting for the rest of us to join them again someday! They will all be missed! My condolences to all of you!
