“ Like many of the others, I too knew Joyce from nursing school. She was indeed one of the best they had in the nursing program. She not only was a great instructor, she was a warm and caring person, easy to talk to and fun to be around. I'll always remember her. RIP and thank you for all you did for so many many students over the years. God Bless.

“ Joyce was my Mother in Law for many years. She was always so kind and generous with her time and medical advice. She was always there for our family when we needed a baby sitter or somebody had some kind of ailment. I always appreciated the love and devotion she had to our family. She will be greatly missed. With love and respect. Russ Barber
