“ I met Judi in elementary school at Franklin School! Went all through school together, and Band with Mr. Shaw. Always fun, friendly and nice to everyone. I was just in FdL yesterday. As I leave my mom's and stop at 9th & Morris, I always think, "that's where Judi Bacon lived!" My sincere condolences to the family. Too young.

“ I just remember when I was @ the house with Mary, during our high school years, how Judy was the voice of wisdom, but she always made us laugh when she gave it out. It makes me smile just thinking about those times.
