Five half brothers, infant Harold, infant Burnett, Eugene Burnett, Norman Burnett and Delbert Weinshrott.

Her special great nephew, Anthony (Tony) Gardner, named her “Doo Doo” when he was a little boy. The name held a special place in all our hearts, and she has been our “Doo Doo” for over 30 years.

Doo Doo loved little babies, children and all her little dogs. Shasta, Shelby and Molly are waiting for her in Heaven. She also loved going to the casino on the bus, and shopping for lime “Grandma Green” items. She loved her flowers and taking care of them.

She worked for many years at Kremer Pharmacy, Younkers, and In Stitches. Mom’s heart gave out on her in the end. I never knew anyone who loved so much or hurt so much. And now finally she is in pain no more. May she rest in peace knowing she was loved. Happy Day!

“Our hearts still ache with sadness and secret tears still flow, what it meant to love you, no one can ever know”

“ I first met Judi when she was proly 17. She was so quick n whitty, always had a teasing comment along with her smile and laugh, that's how you knew she loved you. She was a good mother, grandmother, and friend loved by so many and will be sadly missed. My condolences, prayers and deepest sympathy to the families.

“ Of course I knew Judy as s classmate of 1965. Judy and Romi moved to 13th Street and shared backyards with my parents, Mac and Dorothy McAlister, with many summer nights sitting outside. I enjoyed coming to Fondy in the summers. So glad I had the chance to spend time with Judy.
