“ Dear Jayson & family, Your mother will be missed by many. You were the love of her life and brought her much joy. I worked with your mom for many years in Personnel Plant 4, as it was known at that time. My daughter use to babysit you at your house and ours. Your mom and I share many personal memories. May she Rest In Peace and God Bless you and your family.

“Katie-J”, my Dear Friend, I first met you when you were Cal's Admin. Asst. At Mercury. We shared many celebrations and dinners. You were one of the most giving people I've ever met. You served on our annual campaign team at the United Way and your presence made our weekly report meetings so much more fun. We both went through our own challenging times and sometimes found strength in each other. I will miss your out of the blue phone calls and the dinners and smart talk with you and Susie. I hold you in my heart. Rest in peace, ol' Girl. You will be missed!
