“ Kris will be so missed within our family. For 25 years we visited her home for private piano lessons. Our weekly visits turned into a true friendship. Our kids grew up within the same time frame and we shared the joy of grand kids together. Kris shared her true blessing of music with everyone around her and I am sure her special gift will live on with and in many people. Rest in Peace Kris, we love you!

“ My thoughts and prayers are with your family during this difficult time. Kris was a wonderful person with a huge heart. My son Braeden was currently one of her piano students and he simply adored her. My daughter Kirsten also had studied with Kris. This will be a great loss to everyone who knew her and to our community. She will be missed by all.

“ My heart goes out to all of Kris' family. She was a wonderful woman and taken from you and us much too soon. I'll always remember being part of her wedding to Jeff. It was quite an honor and so exciting for this young girl.

I'll never forget the days I spent with Kris right after Anna was born. I was supposed to be helping her but I think that she helped me more through her listening and caring.

All of you are in my thoughts and close to my heart.

Love, Janet
