Nice picture of Larry! I met Larry 30 years ago when we both worked in catering at Marian College(University). Very easy to work with! Saw Him numerous times-usually at Marcoe's. But remember seeing Him at Thelma street concerts. Always a nice Guy! And I believe He had a couple Dachshunds year ago! Hard to believe He is gone!! RIP Larry!

“ I met Larry back in the late 90s when I started working at Marion College. He was always so easy to talk to and get along with. He was a hard worker and very dedicated to his job. After leaving the college, I would run into Larry many times, whether it be at Marcos, shopping or listening to a band in town, we would always stop and talk, keeping up with how life was going in general. He was always so positive. You will be Missed my Friend. 😭💔 Rest in Peace Larry! 😊💖😇💖

“ Larry, will be missed more than any words can say! He was an incredible part of Benvenuto's and Radisson Hotel. He truly loved to cook and make people happy. He made an incredible difference in my life, and in many fellow employees lives. I was one of Larry's managers. I valued his work ethic, and the kindness he showed towards fellow employees and all of ours guests. Larry always took the time to care about others, and offer a kind word. I will never forget the role he played in my life, and how fortunate I was to have known him. Rest in Peace my friend. I pray our paths will meet again.
