“ Mrs. Dunn, Lisa, and Lea,  
Although I can not be there with all of you, my thoughts and prayers are. I am very sorry for your loss, but know that you were her girls and she loved the three of you very much. At every family party I can remember she was there and her eyes would light up because of all of you!  
Try to remember the special times you shared and the happy memories you created together. And know that she is in a place where love surrounds her, she is not alone! One day you will see her again, but until then she can always be found within your hearts.  
Love and prayers, Christy
