“ *Our thoughts and prayers are with the family. May you find comfort  
with the Lord. We have enjoyed many Valentine Mystery trips with  
the two of you over the years. We have great memories of those  
times together. We will not be able to attend the funeral as Ed is  
being tested this Friday for Corid-19. If he is OK he has to stay  
quarantine until next week Wednesday when he is having a  
procedure done at St. Agnes Hospital checking his heart. They will  
put him out for the procedure but if all goes well he should be able  
to come home again by the evening. Do you know if they will do the  
service on line so that we can watch it? Please let us know. May  
God's Blessings continue to be with you and your family members.  
Our Love and Friendship to you. Ed and Stefanie Gutermann*
