“ My heartfelt sympathy goes out to all of Aunt Leona's loved ones. She was my aunt and godmother who was always so thoughtful and caring towards me. I'll truly miss her too. I'm so glad I had special time with her and Aunt Esther during my visit in September, 2005 when I stayed with them. They both were so proud of their children and grand-children. I was told about all the things you all have been doing and they beamed when they showed me pictures and news articles that they collected over the years. I love how they would get their nails done sometimes. I can tell they really appreciated those fun things that were done for them. We went to dinner before I left and we enjoyed a glass of wine with our meal. Later we had apple pie and icecream. I adore the picture that was taken last Christmas with Aunt Esther holding a sign "I want candy" and Aunt Leona holding "I want toys". Aunt Leona truly loved life and I hope that we can all carry that attitude with us while we're here on earth. God Bless and comfort all of you.
