“ My memories go way back to when Mr. Chaloupka was a teacher at McKinley school. I was not only new to the school but to the city itself. I will always remember his kindness to me and his efforts to make me feel comfortable. I am in my 80's now.

“ I was a student at chegwin school in the 1970's. I was classified a "slow learner" but mr.Chaloupka always treated me as if I was the best and brightest.he sent personal sympathys when my mom died. A more caring man will never be found.God certainly has a special angel in his gates. Have faith you will all be together someday and les will be waiting with open arms to greet you.
