“ *I have worked with Lisa since she started at TJMaxx, we loved her smile, her energy and her kindness that she always shared with everyone...she also loved her sweets and nachos...which she ate at lunch!! She was always proud of the job she did at work and the customer service that she provided...she always had a smile on her face! She loved her children and grandchildren very much-for they were the light in her eyes! I will miss Lisa very much, she was a good friend and a lovely soul, and may she rest in peace.*
