“ *My sympathies to your family. What possessed me to look at your mother's obituary I cannot explain. Divine guidance is at play here. Your grandfather Albert is my grandfathers brother. Your mother and my father were cousins. Your mother made contact with my brother in 1998 when he opened his business here in FDL. He lost your mothers information and I've wondered all these years how to find her. Please make contact with me. You and I are 2nd cousins per the Roth's from Lewiston in MN. My number is 920-948-3598. My brother said that your mother had boxes of pictures of our families. I believe that your grandfather Albert was a wood carver. I believe I have one of the bowls he carved and I know my cousin has several of Alberts carvings as well. Again, my sympathy to you and your family. Please make contact when you are able. Otherwise, I will call you by telephone in the event that this email does not reach you. Regards...Katrina*
