“ Dear Family of Beeb. The friend of Clarence Ochs and I knew him from a small girl as my brothers best friend. Many memories of him at my parents home on Boardman St. And truly loved him. Fun and just like another big brother. I am stressed to think that they died on the same day and I could not see him one more time. I really thought he would walk through the door at Clarency's wake. God Bless you Nancy and all your family at the death of Beeb. Evie

“ Nancy and the Leonhardt family,
Please accept our deepest condolences. It's so sad that Lyle has passed so close to Emmett, but now the three brothers are together again, and you throw Chris in there, God is going to have his hands full!
The Leonhardts have always been an extended part of the Copet family, dating back to my grandpa Bud Copet's Luco Boat Marina. If there is anything that you need, please do not hesitate to call or email us.
You are all in our thoughts and prayers.
