“ I am saddened to see Margaret's passing and extend condolences to her family. I was a young English teacher at Goodrich High School in the twilight years of Margaret's career. She brought a vibrant and unique personality to the school community. Thousands of students were enriched by her storytelling and by her love of language, literature, and culture.

“ Mrs. Baker was one of my favorite teachers. She was my Latin teacher at Goodrich. I loved to listen of her stories about her days in college and her friendships there. I believe that Mrs. Baker's stories and her teaching were a great part of the reason I went college and became a teacher also. I want her friends and family to know that she was an inspiration to me. My deepest condolences in your loss.

It's been over 10 years since Margaret has passed but I just ran across her obituary today 6/21/21. I went thru school K thru 12 with her daughter Jane (Jefferson to Waters to Goodrich). There were times in grade school that we would have Margaret as a substitute teacher for a short period of time. Other subs meant that we could get away with stuff, but not Margaret, she always knew what to expect and ran a tight ship. I delivered the Baker's daily newspaper for about two years so I had many encounters with Margaret, all very pleasant. Raymond H. Grenier (Goodrich Class of 1956)
