“ Grandma Mary and Grandpa Pete let us discover the love of Florida at a young age. Grandma was always making something in the kitchen when you walked in the door. Grandpa has been missed and now grandma. Our family is forever changed. They had a great life. Her advice was, if you can do it, do it. Don't wait.

“ Our sympathies to the Peter's family. My mother corresponded with your mother for years. Otto was her cousin. We treasure the ceramic nativity she gave us and the one she gave my mother. Our prayers and thoughts are with you.
