“ To Lyle and Family: I am so sorry to hear of the loss of your loved one. I only knew Marjorie from my place of employment (Goodwill Industries) here in Fond du Lac, where she visited quite often. She was always polite to me and always asking for my help in finding things for her, especially swimsuits. I will miss her smiling face and the conversations we shared each time she visited us, which was quite often. May she rest in peace and may you find comfort knowing she is safe in Gods loving arms.

“ My friend, my buddy, my sister--I cannot imagine not talking to you on the phone any more-forever-forever is a long time but when my "forever" is over we will be united in the arms of the Lord and we can visit once again and tell each other EVERYTHING like we did on earth. I will still talk to you and I do believe you will hear me, we both did believe in Angels and I would like to believe you will be my Angel. Miss you so much and always love you. Nancy
