“ *Dear John, Joann and family, Bebe and I want to convey our deepest sympathy. Mark was a very special guy who always had a wonderful greeting and a hug when ever we saw him. I know the Lord was guiding his life and with your devotion he lived a life filled with love and caring. He will always be in our memories especially the time we spent with you in Cambridge and Madison. I was always amazed at his abilities, just showing how the Lord works in all of us. Love to all, Mike & Bebe*
