

## Mark J. Supple

July 17, 1969 - October 6, 2020

Mark J. Supple, 51, of Dubuque, IA., and formerly of Fond du Lac, WI passed away October 6, 2020, from injuries sustained in a motorcycle accident on September 26, 2020.

He was born July 17, 1969, in Topeka, KS., while his father was serving in the US Air Force, to Patricia L. (McKinney) Miller and Tom D. Supple.

Mark graduated from L.P. Goodrich High School in 1987, and later received an Associate's Degree from NWTC as a CIS Network Specialist. He has worked as a Systems Administrator with IBM Global Services in Dubuque, IA. since February, 2010.

Mark is survived by his parents, Patricia L. Miller of Las Vegas, NV., and Tom D. Supple of Fond du Lac, WI; his sister Kim (Ken) Krug of Fond du Lac; his girlfriend Connie Welp and her son Anthony Ruden of Dubuque, IA.; Uncle's Robert Supple of Loveland, CO., James (Patti) Supple of Fond du Lac, WI.; Aunt Sharon Baldauf of Las Vegas, NV.; Godson Trevin Supple of Fond du Lac, WI.; Cousin's Matt (Jenny) Supple, David (Tammy) Supple, Steven (Emily) Supple, Michael Supple, Kelly (Steve) Ouimette, Jodi (Gary) Chapman, all of Fond du Lac, WI. He also leaves behind many other relatives and dear friends.

Mark was preceded in death by his paternal grandparents; Frederick “Gramps” & Helen “Gran” Supple, maternal grandparents Delbert and Virginia Mckinney, Uncle Richard Baldauf and stepfather Eugene Miller.

Mark had many passions that he enjoyed in life. Two of his favorites were riding his Harley Davidson motorcycle whenever he could, and playing his electric guitar. He could play many Van Halen songs note-for-note, and it would be hard to find a bigger Eddie Van Halen fan than Mark. He enjoyed cooking, boating with friends, downhill skiing, traveling, and spending time in the north woods at the family cottage in Manitowish Waters, WI.

Anyone who has encountered Mark will never forget his charming and warm personality and infectious smile. He connected to others with ease and could bring laughter and a few shenanigans to any situation. Without a doubt, Mark’s greatest joy was sharing time with his family and friends, whom he loved dearly.

Our family extends a special thank you to the caring staff at both Mercy Hospital and University of Iowa Hospital SNICU for their amazing care they provided for Mark and our family during this difficult time.

Services will be held on Saturday, October 17, 2020 at Ledgeview Memorial Park, N6250 County Trunk K, Fond du Lac. Visitation will be from 9:30 AM to 11:00 AM with graveside service to follow due to the current pandemic. Memorials in Mark’s name appreciated to the family.

Kurki Funeral Chapel & Crematory is assisting the family, [www.kurkifuneralchapel.com](http://www.kurkifuneralchapel.com). 920-921-4420.

“ *Mark, my friend, you left us way too soon. I was hoping for at least one more river trip before I leave Dubuque. Your sense of humor and your love for your friends is missed. Rest in peace, my friend.* ”

“ I worked with Mark at IBM. I have never met mark in person as our team is spread around the country and we all work remotely. We do have a lot of phone conversations and electronic chats. It is more of a challenge to make a connection with your coworkers this way, it's funny, I read in the obituary that Mark "connected to others with ease". In my case and I think most of my coworkers that definitely rings true. Mark's good nature definitely came across even in our remote workplace. He was always willing to help when needed. Anytime we were on a long DR exercise he would be one to contribute some funny comment or add to someone else's. I enjoyed working with Mark, I wish I could have met him and sat down for some drinks and jokes. I will miss his voice on our calls and his banter over chats. I am terribly sorry for his loss to all his friends and family.

“ Mark, Ron, Kurt and I were like the “four musketeers” in high school. We were together in school and at each other’s houses all the time. Some of the things I did with Mark included; swimming, cliff diving, sitting around bonfires, playing pool, foosball, and D&D (and maybe a little underage drinking). Mark’s Yellow Camero was my “school bus” for my senior year. If I ever needed anything, he was there for me. I may not have seen Mark much over the past few years, but I will never forget the great times we spent together in the 1980’s. Rest In Peace my dear friend.
