“ *Mary Lou was a strength to the people of St. Louis Church. As her pastor i appreciated her faith and loyalty to almighty God. We've kept in touch over the years and I am grateful for that. Rest in Peace in the hands of God.*

“ *She will be sincerely missed, as is Doc. I enjoyed taking baked goods to them and visiting. I share her love of animals and trading stories with her was a hoot. I am thankful she was able to stay in her home as long as she was as that was her wish. That corner home will forever have that loving couple sitting on the porch for me.*

*A grateful neighbor,
Renee*
