“ EVERY SINGLE memory I have with Mikey was full of laughs, he was so ornery and silly, he was a true kid at heart. I rememeber when you, me, and Uncle Mike went to play hockey, I can't skate for crap and you knew it, being you, you had to mess with me and make me fall a few times haha. You will be greatly missed Mikey, everyone you touched along the way will miss ya too, you left a great impression on keeping a smile on your face, it was contagious. I miss ya Mikey..cousin Kyle

“ Mike, He was always my star player on our hockey team,
He's ability to intimidate the opposite team and
How he could always score a goal when asked.
We never forgot his great smile.
• I remember how much fun we had on the occasional times we
played hockey together.
• I will greatly miss his unbreakable spirit.
Prayers to all family members .

“ *I remember coming to see you in California. You were such a chunky happy baby. You grew into such a fine young man that I was proud to call my nephew. Still to the day you passed always smiling. You always brightened the room. You always made me smile and feel better when I was down. God I wish I could of had the chance to tell you How much love Aunt Janell had for you just one more time. You will always be by my heart as I bought A necklace to keep you close.*
