“ *Rest in Peace Mike. I also worked with Mike at Quad Graphics and he enjoyed his sharing of happiness of being a father. I remember him telling me that this has changed his life and sharing his photos. He posted them proudly on his locker and in his lunch box.*

“ My thoughts and prayers are with you in this time of grief. I was fortunate to have been able to work with Mike for a number of years. He talked about his kids often and was very proud of being a father. He would show off the new picture of his children. He will be missed. Wishing you Peace and Comfort. Steve Abresch

“ I've known Mike since middle school at Sabish and he was a hell of a friend. Anytime we got together he always had a smile on his face. In June 2008 he was the best man at my wedding in Virginia, this was his first trip to the east coast and he had a blast! Mike made another trip out to Virginia to visit the following year and again he delivered good times with his smile and laugh. Mike the world lost a great friend, man and father in you. You will be greatly missed but never forgotten cheers to you Bud!

“ Another Fondy Brother gone way too soon! Mike - I'm glad I got to know you through our mutual best buddy, James "Hollywood" Flynn. Us three had a lot of fun over the years at the Parkside baseball diamond as well as the Press Box. I know right now you and Flynn are taking part in an epic homerun derby contest High Above. Until I'm up there on the mound grooving you two golden pitches, Rest in Power my friend.
