“ Mike or Mickey to me. I met Mike when I was dating Mark step and Mike was with a group of guys that were part of the sea Scouts. When I first met met Mike and and the guys I wasn't sure how to take them all I remember are the Cuban heels that he wore. Mike was not anything like what he wore he was a kind soul and who looked after me when Mark was gone and I'll never forget him or that group of guys and sea Scouts. My prayer is that he is at rest now and out of pain and with his other Buddies

“ Heavenly Father, who with a parents love wipes away our tears and makes all manner of things well, look with tenderness and affection on the members of the Martin family who are suffering pain and loss.
Heal their grief, strengthen their faith, help them to understand that all separations, however traumatic, are only temporary and that together with You we will all be young again and all laugh again.
I ask this through Jesus your son.
Amen

“ *Michael didn't remember me when Rachel asked him. My last remembrance of him was back in 2000. I use to come over to the house to spend time with Rachael. He would say hi, either go to his room or stay in the front room. He was always respectful and I felt the love he had for his family. Especially for his beautiful and loving daughter. RIP Buddy you will always be remembered and have a place in my heart friend.*
