“ *Mary, I am so sorry. You have my deepest condolences. If you ever want to talk, call me. The following is a verse that has helped me through the years. Hope it can do the same for you. "I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love."~ Leo Buscaglia*
