“ Nancy and Larry were foster care providers for countless children in Fond Du Lac County. She owned her own Hair salon but later worked at the salon in Walmart. Nancy had a very strong personality as well as a very strong work ethic, resulting her in her cutting my hair with a broken arm! She told me that she had had more than one heart attack and she drove herself to the hospital each time and argued with the e r nurse about her condition, which did not surprise me one bit. She was a unique lady , and I will miss her.

“ I went to High School with Nancy from 1964-1968. I thought of her as a good person with energy and laughter. She owned a business which helped others look their best! Nancy married Larry Korth, another high school alumni's. Life on earth isn't always easy. Nancy met Jesus on April 24, 2026. Hallelujah. Mike Hoch, Neshkoro, WI.
