“ Nancy was my first friend in N.C., when I moved to military housing, in 1967...I remember saying to her on her birthday, how old are you...she said, I'm 29....so young....I was 18 a newly wed, and scared of my own shadow...I was very shy...she introduced herself to me and became my mentor...we just found each other again, after so many years apart....I wish,we could have had more time, but I'm so happy we've been able to talk, in the last few months...I'll never forget her kindness and our memories... I'll never forget her....I'm so sorry Vickie and all her family.... Good d bless you all.

“ My sympathies to Nancy's family and to Dick. I so enjoyed our chats when she was walking her beloved dogs and I was taking my daily walk. I watched Nancy and Dick as they got closer and I was happy that they had found each other. My parents and I also enjoyed dog sitting for Tommy and Dusty when Nancy and Dick had to be away. Many special memories. Rest in peace Nancy.
